Bayer to present updates on pharma growth strategy and pipeline advancements at J.P. Morgan's 44th Annual Healthcare Conference

Berlin, January 5, 2026 – Bayer will participate in the 44th J.P. Morgan Healthcare Conference 2026 taking place from January 12 – 15, 2026 in San Francisco. Stefan Oelrich, Member of the Board of Management, Bayer AG, and President of Bayer's Pharmaceuticals Division, will present updates on the company's pharmaceutical growth strategy and pipeline advancements across its portfolio. The presentation will take place on Tuesday, January 13, 2026, from 11:15 to 11:55 PST.

Investors, analysts, media professionals and members of the life sciences industry are invited to join the live webcast of the presentation via this [link](#).

Following the event, the webcast will also be made available with materials related to the presentation on [Bayer's website](#).

About Bayer

Bayer is a global enterprise with core competencies in the life science fields of health care and nutrition. In line with its mission, "Health for all, Hunger for none," the company's products and services are designed to help people and the planet thrive by supporting efforts to master the major challenges presented by a growing and aging global population. Bayer is committed to driving sustainable development and generating a positive impact with its businesses. At the same time, the Group aims to increase its earning power and create value through innovation and growth. The Bayer brand stands for trust, reliability and quality throughout the world. In fiscal 2024, the Group employed around 93,000 people and had sales of 46.6 billion euros. R&D expenses amounted to 6.2 billion euros. For more information, go to www.bayer.com.
