In April, stockholders entered in the share register will receive the invitation to the Annual Stockholders’ Meeting as well as the documents for giving notice of intention to attend, ordering admission tickets, postal voting and granting of proxies and instructions. The first distribution to stockholders entered in the share register on March 21 will take place beginning April 2. The main distribution may require a number of days depending on quantity. A subsequent distribution is planned for April 15 for stockholders who were entered into the share register between March 21 and April 14. Stockholders who are entered into the share register after April 14, 2014 will not receive a separate invitation to the Stockholders’ Meeting.

Stockholders who have already agreed to the Annual Stockholder’s meeting documents being sent by e-mail will receive an e-mail with the Notice of Meeting as an attachment at the e-mail address they specified.

2. Options for Exercising Voting Rights

It is very important to us that a large proportion of the capital stock be represented at the Stockholders’ Meeting, as this is the only way to ensure that resolutions are supported by the greatest possible number of stockholders. Voting rights may be exercised in various ways:

- by attending the Stockholders’ Meeting in person
- by appointing one of the proxies designated by the company, to whom you may then issue instructions for the exercise of your voting rights.
- by appointing a proxy of your choice to exercise your voting rights at the Stockholders’ Meeting.
- by postal vote.

Only those stockholders who are registered as such in the share register on the day of the Stockholders’ Meeting and have provided timely notice of their intention to attend are entitled to attend the Stockholders’ Meeting and exercise their voting rights. The number of shares listed in the share register on the day of the Stockholders’ Meeting is determinative for the exercising of voting rights. For technical reasons, no changes will be performed in the share register in the period between Wednesday, April 23, 2014 until and including Tuesday, April 29, 2014. Therefore the entry status in the share register on the day of the Stockholders’ Meeting is the status after the last change on Tuesday, April 22, 2014.

3. Notice of Intention to Attend the Stockholders’ Meeting

In order to participate in the Stockholders’ Meeting and exercise voting rights, stockholders must not only be entered in the share register but must also give timely notice of their intention to attend. The completed attendance form must be received by the Company not later than 24:00 hours on April 22, 2014 (technical record date). Receipt of the notice is determinative.
The attendance form should be sent to the following address:

Bayer Aktiengesellschaft
Aktionärsservice
Postfach 14 60
61365 Friedrichsdorf
Germany
Telefax: +49 (0)69 / 2222-34280
e-mail: bayer.hv@rsgmbh.com

Please make allowance for postal delivery times and send your notice early.

The attendance form sent together with the invitation to the Stockholders' Meeting to stockholders entered in the share register can be used to give notice of intention to attend. A sample attendance form can be viewed at www.bayer.com/stockholders-meeting (please do not use this form).

It is also possible to provide notice of intention to attend electronically via our “Stockholders Portal AGM Service”. www.stockholders-portal.bayer.com leads to the respective password-protected internet site. The Stockholders’ Meeting Service on the internet will be available from the beginning of April 2014. Further details can be found in Section 8, “Internet Services.”

4. Admission Tickets

An admission ticket is required for personal attendance at the Stockholders’ Meeting. The ticket allows the holder to pass through the entry control points.

Admission tickets can be ordered by post, fax or online using the attendance form. A maximum of two admission tickets will generally be issued for each stockholder entered in the share register. When ordering two admission tickets, stock holdings and voting rights will be allocated to both tickets to maximum equality.

Where more than one person can assert rights to a share, the right of attendance at the Stockholders’ Meeting and the exercise of voting rights can only be asserted by a group representative.

Admission tickets can also be ordered directly for a proxy.

The attendance form can be sent by post in the postage-paid envelope or by fax to the above address.

Please consider postal delivery times and send your completed attendance form in good time.

Admission tickets to the Stockholders’ Meeting can also be requested online. The “Stockholders Portal - AGM Service” at www.stockholders-portal.bayer.com leads to the password-protected internet site. The “Stockholders Portal - AGM Service” is available from April 2, 2014. Further details can be found in Section 8, “Internet Services.”
Dispatch of tickets will begin on April 8, 2014.

On the day of the Stockholders’ Meeting, the admission ticket can be exchanged for a voting card booklet at the voting card counter. The stockholder is thereby registered as present and entitled to vote.

If a stockholder or his/her appointed proxy has provided timely notice of intention to attend but has not received the admission tickets ordered, he/she can still participate in the Stockholders’ Meeting. If the admission ticket has been issued but not delivered in time, the stockholder or appointed proxy will have been entered in the attendance register. This entry can be verified and a replacement admission ticket can be issued as necessary at the special counter in the admission area.

5. Accompanying Persons

The Stockholders’ Meeting is basically intended only for stockholders or their proxies.

We recommend that stockholders wishing to bring an accompanying person to the Stockholders’ Meeting order two admission tickets to be issued in their name and then transfer one of the tickets to the accompanying person by appointing that person as proxy. This can be done by completing the form on the reverse of the admission ticket.

6. Issuing Proxies and Instructions before the Stockholders’ Meeting

Stockholders may choose to have their voting rights exercised by a proxy or an association of stockholders. Timely notice of intention to attend is also required in such cases (see Section 3, “Notice of Intention to Attend the Stockholders’ Meeting”).

The following options are available for issuing proxies and instructions:

a) Use of the admission ticket

Stockholders who have requested an admission ticket to the Stockholders’ Meeting may transfer it to a proxy. In this case the form on the reverse of the admission ticket should be completed and handed to the proxy.

b) Request of an admission ticket for a proxy

An admission ticket for a proxy can be requested directly using the attendance form or online via our “Stockholders Portal - AGM Service” at www.stockholders-portal.bayer.com. The request must be received by the deadline (at the latest by April 22, 2014, 24:00 hours). The admission ticket will be sent directly to the proxy.
c) Appointment of a stockholders’ association or a credit institution as proxy

Stockholders can also appoint a stockholders’ association or credit institution to participate in the Stockholders’ Meeting and exercise voting rights as proxy. The necessary authorization should not be sent directly to Bayer AG but rather to the credit institution or stockholders’ association of your choice in time to allow the proxy to provide notice by April 22, 2014 of intention to attend the Stockholders’ Meeting.

To issue voting instructions to the credit institution or stockholders’ association you have appointed as proxy, please use the prepared form on the reverse side of the attendance form. Mark the ‘yes’ field to indicate approval of the individual agenda items or the ‘no’ field to indicate rejection. If you do not mark a field, your instruction shall be deemed as an abstention. Double markings will be deemed invalid.

We request our stockholders to inquire whether their choice of credit institution or stockholders’ association accepts the representation of the voting rights before they are transferred.

d) Appointing the company proxy and issuing instructions

You may also appoint and instruct one of the proxies designated by the company. These are Ms. Claudia Linder, Leverkusen and Dr. Martin Eisenhauer, Leverkusen. The Company’s proxies are required to vote solely according to the instructions of the stockholders.

Authorization and instructions to the proxies designated by the company can be issued on the attendance form, which should be sent by post or fax to the above address or completed online via our “Stockholders Portal - AGM Service” at www.stockholders-portal.bayer.com. Even if notice of intention to attend has been given by Tuesday, April 22, 2014, 24:00 hours (see Notice of Intention to Attend the Stockholders’ Meeting), issuance, change or cancellation is possible by post until April 28, 2014 (date of receipt), or by fax or online until April 28, 2014, 12:00 hours.

Please note that authorization and instructions to the company-designated proxies may relate exclusively to the exercise of voting rights. Orders or instructions beyond this, such as the offering of motions, questions or the submission of statements, cannot be issued to these proxies. However, instructions can only be issued with respect to resolutions (including possible amendments) proposed by the Board of Management and/or the Supervisory Board and resolutions proposed by stockholders through an amendment to the agenda according to § 122 paragraph 2 of the German Stock Corporations Act (AktG).

If authorization is granted to a person other that the proxy designated by the Company who is not subject to § 135 of the German Stock Corporations Act (AktG) (in particular the appointment of a credit institution or stockholders’ association as proxy), the appointment of the proxy can be rescinded in a declaration to the Company submitted to the address above.
Evidence that a proxy has been appointed can also be sent by e-mail to the address bayer hv@rsgmbh.com. This evidence can only be linked to the attendance form if either the name, birth date and address of the stockholder or the stockholder number are provided. The name and the address of the proxy holder should also be provided so that the admission ticket can be transferred.

Details on how to appoint proxies and issue instructions during the Stockholders’ Meeting can be found in Section 12, “Instructions to the Order of Events of the Stockholders’ Meeting.”

7. Postal Voting

You can also submit your votes in writing or electronically without attending the Annual Stockholders’ Meeting (“Postal Voting”). Here as well, registration must be completed on time (see Section 3 “Notice of Intention to Attend the Stockholders’ Meeting” above). The submission of postal votes is restricted to voting on resolutions (including possible amendments) proposed by the Board of Management and/or the Supervisory Board and resolutions proposed by stockholders through an amendment to the agenda according to § 122 paragraph 2 of the German Stock Corporations Act (AktG).

Postal votes can be cast in writing or through electronic communication. Votes cast in writing can be submitted to the aforementioned postal address (see Section 3 “Notice of Intention to Attend the Stockholders’ Meeting”) with the attendance form distributed together with the Notice of the Annual Stockholders’ Meeting, and must be received by Tuesday, April 22, 2014.

Whereas notification of intention to attend the Stockholders’ Meeting must be received by midnight on April 22, 2014, postal votes can be submitted to the aforementioned address (see Section 3 “Notice of Intention to Attend the Stockholders’ Meeting”) until Monday, April 28, 2014 (date of receipt).

Postal votes can also be submitted by fax at +49(0)69/2222-34280 or electronically using the (on-screen) form via our “Stockholders Portal - AGM Service” at www.stockholders-portal.bayer.com. Irrespective of the necessary registration deadline of midnight on Tuesday, April 22, 2014, votes can still be submitted by fax or internet until 12:00 noon on Monday, April 28, 2014.

The aforementioned submission options and deadlines also apply in the event that a stockholder would like to rescind a postal vote. Should you wish to attend the Annual Stockholders’ Meeting despite having previously submitted a postal vote, you may do so. However, this shall be deemed a rescission of your previously cast postal vote.
