- 3. Acceptance (order)**
 - 3.1. The acceptance of any offer by Bayer Consumer Care AG shall not be binding unless the offer has been accepted in writing.
 - 3.2. If Bayer Consumer Care AG accepts the offer other than on the terms specified therein, the agreement shall only take effect once the Supplier has agreed to the different terms by confirming the order.

 - 6.3. If it has been agreed that liquidated damages shall apply in the event of any delay in delivery, the liquidated damages shall be payable even if the goods or services supplied are accepted unconditionally. The payment of liquidated damages shall not release the Supplier from the contractual obligations applying to it. However, any liquidated damages paid shall be offset against any compensation or damages that may be due.
 - 6.4. The Supplier shall only be entitled to claim that Bayer Consumer Care AG has failed to provide documents or parts that it was required to supply if the Supplier requested such documents or parts in good time. In such circumstances, the delivery period shall be extended as appropriate.
 - 6.5. If in the event of default of acceptance there is a delay in supplying the goods or services, or it is impossible to supply the goods or services for reasons beyond the Supplier's control, the supply shall be suspended by agreement with Bayer Consumer Care AG. Goods to be supplied shall be stored by the Supplier for the account and at the risk of Bayer Consumer Care AG. The Supplier shall take out adequate insurance cover for such purpose at the expense of Bayer Consumer Care AG.
 - 6.6. No subcontractors may be appointed without the prior written consent of Bayer Consumer Care AG. Upon request, the Supplier shall provide evidence to Bayer Consumer Care AG that it has paid in full for any services rendered by a subcontractor, or that appropriate guarantees (bank guarantee/joint and several guarantee) have been obtained. If no such evidence is provided, Bayer Consumer Care AG shall be entitled to withhold payment of the relevant sums due to the Supplier.
- 7. Shipping requirements**
 - 7.1. On the day on which the goods are dispatched, the Supplier shall send a detailed dispatch note for each consignment separately from the goods and invoice. A delivery note and packing slip shall be provided with the goods. If the goods are sent by ship, the shipping papers and any invoice shall state the name of the shipping company and of the vessel. The accompanying documents shall indicate the risk category and any other information that may be required under the rules applying to the relevant method of transport.
 - 7.3. The Supplier shall be liable for any loss or damage that may be suffered due to its failure to comply with the applicable rules. It shall also be responsible for ensuring that any subcontractors appointed by it also comply with such rules.
- 7.4.** In the event that it is not possible to take delivery of any consignment due to the Supplier's failure to comply with the applicable rules, the goods concerned shall be stored at the Supplier's expense and risk. Bayer Consumer Care AG shall be entitled to ascertain the contents and condition of such consignments. Tools and equipment shall not be shipped together with the goods supplied.

Any goods or services supplied shall comply with Swiss legislation, health and safety standards and other rules (e.g. issued by Electrosuisse (Swiss Association for Electrical Engineering, Power and Information Technologies), Swiss Association for Technical Inspections, Swiss Accident Insurance Fund (SUVA)). The Supplier shall be informed of any requirement to comply with specific in-house rules and standards of Bayer Consumer Care AG.

Bayer Consumer Care AG shall only pay transport costs and travel expenses in relation to work undertaken in respect of warranties if this has been agreed in writing.
 - 9.3. The warranties provided by the Supplier shall also apply to any parts or components supplied by subcontractors.
 - 9.4. Unless otherwise agreed, the warranty period shall be 12 months, commencing on the date on which the goods or services are received by Bayer Consumer Care AG. Where a formal acceptance process has been agreed, the warranty period shall commence once the process has been successfully completed. The warranty period applying to goods which are not put into operation immediately upon delivery shall commence on the date on which the goods are put into operation, as notified to the Supplier immediately in writing. In any event, the warranty period shall not exceed 24 months from the date on which the Supplier advised Bayer Consumer Care AG that the goods or services were due to be supplied or the date on which the goods or services were received by Bayer Consumer Care AG.
 - 9.5. The warranties applying to goods and services supplied shall apply equally to any replacement goods or services and in respect of any work performed to rectify defects. In all circumstances, such warranties shall expire 24 months after the commencement of the warranty period for the original goods or services supplied and, in the case of work under warranty, at the end of an additional 6-month period following completion of the work.
 - 9.6. As an alternative to having defects rectified in accordance with clause 9.2, Bayer Consumer Care AG shall be entitled to a reduction in the purchase price. Bayer Consumer Care AG shall only exercise its right to rescind the agreement if the work undertaken to rectify defects in accordance with clause 9.2. has been unsuccessful even though a reasonable period of time was granted in which to complete such work.
 - 9.7. Bayer Consumer Care AG reserves the right to make any claim or exercise any rights permitted by law.
- 10. Rescission**
 - 10.1. In the event that the Supplier is in default in respect of either performance or work carried out under warranty and the situation has not been rectified within a reasonable additional period of time, Bayer Consumer Care AG shall be entitled to rescind the agreement and to waive performance.
 - 10.2. If it becomes apparent before performance is due that the Supplier will not supply the goods or services by the date agreed through no fault of Bayer Consumer Care AG and timely performance is deemed to be unlikely, Bayer Consumer Care AG shall be entitled to rescind the agreement prior to the due date and to waive performance.
 - 10.3. Bayer Consumer Care AG shall also be entitled to rescind the agreement with immediate effect and to waive performance if in the course of the Supplier performing its obligations it appears likely that the goods or services will not be fit for purpose, through no fault of Bayer Consumer Care AG, and that the Supplier will be unable to satisfy the requirements for performance as specified in the agreement within a further reasonable period of time.
