Sheila Mikhail

Co-Founder and Chief Executive Officer, Asklepios BioPharmaceutical (AskBio)

Sheila Mikhail has over 20 years of biopharmaceutical leadership experience and is the co-founder and Chief Executive Officer of AskBio, a company she started in 2001 that was recently acquired by Bayer. Since she assumed leadership of AskBio in 2017, the company has advanced programs into the clinic for Pompe disease and late-stage heart failure and made significant investments in manufacturing capabilities. Prior to AskBio, she served as Chief Executive Officer and co-founder of Bamboo Therapeutics, and she was part of the management team at Chatham Therapeutics. Sheila has practiced law for more than 15 years. During that time, she founded Life Sciences Law, which serviced clients including Bayer, Gilead, GSK, Sanofi and Aventis.
