Cardiología – 2 – American College of Cardiology

El American College of Cardiology incluye en su página web una sección específica sobre la COVID-19, el ACC's COVID-19 Hub.

Este *hub* está estructurado en distintos apartados: *Hot topics*, *Clinical guidance*, *Policy and operational guidance*, *Front Line Experience and Clinical Perspectives*, *ACC Resources*, *COVID-19 Journal Wrap*, que, a su vez, se dividen en múltiples temas y subapartados.

Incluimos en este apartado los principales enlaces a distintos temas, si bien son solo una pequeña parte de toda la información que se incluye en este *hub*.

*Esta página va actualizándose continuamente.
