

GENERAL TERMS AND CONDITIONS OF PURCHASE

- A. Any Purchase Order, together with Conditions, and any attachments, exhibits, specifications, statements of work and other information, whether attached to these Conditions or incorporated by reference (collectively the “**Contract**”), constitute the entire and exclusive agreement between **Bayer Philippines, Inc., Bayer Cropscience, Inc., Bayer Business Services Philippines, Inc. and Monsanto Philippines, Inc.** (“**Bayer**”) and the supplier (“**Supplier**”) for the supply of the Goods and/or Services to Bayer, subject to sub-clause B below. 5.2. The Supplier acknowledges and agrees that for the performance of the Work, time will be of the essence. The Supplier must immediately notify Bayer if the Supplier's timely performance under the Contract is delayed or is likely to be delayed. Bayer's acceptance of the Supplier's notice will not constitute a waiver of any of Bayer's rights under the Contract.

5.3. Goods shall be delivered, carriage paid, to Bayer's place of business or to such other place of delivery as is agreed by Bayer in writing prior to delivery of the Goods. The Supplier shall off-load Goods at its own risk as directed by Bayer. 5.8. Bayer shall not be deemed to have accepted any Goods until Bayer has had a reasonable period to inspect those Goods. Bayer shall also have the right to reject Goods in accordance with this Contract, within 14 days of receipt of the Goods in accordance with the Delivery Instructions, these Conditions and the applicable Purchase Order.

6. Assignment and subcontracting

The Supplier shall not assign any of its rights without the prior written approval of Bayer, which may be withheld at its discretion. 7.3. The provisions of this clause 7 shall survive any termination of this Contract for a period of 5 years.

8. Bayer's property

8.1. All Intellectual Property Rights in all materials, media, information and data supplied by Bayer to the Supplier or not so supplied but used by the Supplier specifically in the Work shall at all times be and remain the exclusive property of Bayer and shall not be disposed of other than in accordance with Bayer's written instructions, nor shall such items be used otherwise than as authorized by Bayer in writing.

8.2. Unless otherwise agreed by the parties in writing and without prejudice to clause 8.3, Bayer shall be the sole and exclusive owner of all Deliverables and the Supplier hereby irrevocably assigns and

transfers to Bayer all of its worldwide right and title to the Deliverables, including all Intellectual Property Rights associated with the Deliverables.

8.3. Unless otherwise agreed by the parties in writing, each party owns all right, title and interest in and to any of its Preexisting IP and Materials. The Supplier hereby grants Bayer a perpetual, irrevocable, worldwide, transferable, royalty-free, nonexclusive license, with the right to sublicense, to use and reproduce the Supplier's Preexisting IP and Materials in the Deliverables to the extent necessary for Bayer's exercise and exploitation of its rights in the Deliverables.

9. Termination

9.1. These Conditions apply to all Bayer's purchases of Work and any variation to these Conditions shall have no effect unless expressly agreed in writing and signed by an authorized representative of Bayer.

9.2. Bayer shall have the right at any time and for any reason to immediately terminate the Contract in whole or in part by giving the Supplier written notice of termination.

9.3. The termination of the Contract, however arising, shall be without prejudice to the rights and duties of Bayer accrued prior to termination. The conditions which expressly or impliedly have effect after termination shall continue to be enforceable notwithstanding termination.

10. Remedies

10.1. Without prejudice to any other right or remedy which Bayer may have, if any Goods or Services are not supplied in accordance with, or the Supplier fails to comply with, any of the terms of the Contract, Bayer shall be entitled to avail itself of any one or more of the following remedies in its absolute discretion, whether or not any part of the Goods or Services have been accepted by Bayer:

(d) to refuse to accept any further deliveries of Goods and/or Services without any liability to the Supplier;

(e) to carry out, at the Supplier's expense any work necessary to make Goods and/or Services comply with Contract; and

13. Force majeure

13.1. Either party may totally or partially suspend the performance of the Contract or any Purchase Order during any period which:

The Supplier shall not, however, absent the written consent of Bayer, consent to the entry of any judgment or enter into any settlement (1) that provides for any relief other than the payment of monetary damages for which the Supplier shall be solely liable; and (2) where the claimant or plaintiff does not release Bayer and its and their respective directors, officers, employees, agents and representatives from all liability in respect thereof. In no event shall Bayer be liable for any claims that are compromised or settled in violation of this clause.
