OWNERSHIP STATEMENT

This document, the data contained in it and copyright therein are owned by Bayer and/or affiliated entities.

No part of the document or any information contained therein may be disclosed to any third party without the prior written authorisation of Bayer and/or affiliated entities.

The summaries and evaluations contained in this document are based on unpublished proprietary data submitted for the purpose of the assessment undertaken by the regulatory authority. Other registration authorities should not grant, amend, or renew a registration on the basis of the summaries and evaluation of unpublished proprietary data contained in this document unless they have received the data on which the summaries and evaluation are based, either

- From Bayer or respective affiliate; or
- From other applicants once the period of data protection has expired

This document is the property of Bayer AG and/or its affiliates. It may be subject to rights such as copyright and/or any other intellectual property and its copy rights of the owner and third parties. Furthermore, this document may fall under a regulatory data protection regime. Consequently, any publication, distribution, reproduction and/or publishing and any commercial exploitation, distribution, reproduction and use of this document may therefore be prohibited and violate the rights of its owner without the permission of the owner of this document.
