OWNERSHIP STATEMENT

This document, the data contained in it and copyright therein are owned by Bayer and/or affiliated entities. No part of the document or any information contained therein may be disclosed to any third party without the prior written authorisation of Bayer and/or affiliated entities.

The summaries and evaluations contained in this document are based on unpublished proprietary data submitted for the purpose of the assessment undertaken by the regulatory authority. Other registration authorities should not grant, amend, or renew a registration on the basis of the summaries and evaluation of unpublished proprietary data contained in this document unless they have received the data on which the summaries and evaluation are based, either:

- from Bayer or respective affiliate; or
- from other applicants once the period of data protection has expired.

It may be subject to rights such as intellectual property and copyright of the owner and third parties.

Furthermore, any commercial exploitation and use of this document or its contents without the permission of the owner may be prohibited and violate the rights of its owner.
