

Shipping Instructions Thailand Imports - Seeds

Overview:

Monsanto Thailand recognizes the importance of our ability to import seeds. As such, adherence to all Thailand import laws is of utmost importance and is taken very seriously. It is the responsibility of all foreign shippers to follow the outlined instructions to ensure consignments are imported in a legal, ethical, and timely manner.

Booking:

It is the responsibility of the shipper to pay for all international freight up to the port of discharge. Based on the FCA or FOB Incoterms, Monsanto Thailand will pay all domestic freight charges to the final place of destination.

Port of discharge:

- Air port: **Bangkok Airport (Suvarnabhumi Airport)**
- Sea port: **Bangkok Seaport**

Monsanto Thailand Limited Entity Code: 1763 (SAP – P08)

Documentation Requirements:

The most common causes of clearance delays result from inadequate or missing information on the required of shipping documentation. All documentation must be clearly marked and legible.
