

Bayer Austria:

Our Benefits at a Glance!

Our social benefits
that truly make a
difference!

Our **health services** range from (occupational) medical care to psychological counseling and innovative health portals to promote your overall health.

Bayer promotes your **education, training and further development** to help you unleash your talent and integrate diverse perspectives.

Bayer Austria offers a variety of **subsidies** in the areas of mobility and meals as well as various **discounts** to financially support you in your everyday life.

An important part of our benefit portfolio is our **insurance services** and our attractive **retirement plans** - because your security and stable future are our top priority.

We believe that a good **work life balance** is crucial for well-being and satisfaction, and we support this through flexible working hours, mobile working, additional time off, and various leave options.
