1. Notice and Agenda

Due to the measures enacted to slow the spread of the COVID-19 pandemic, especially the restrictions on public assembly, this year’s Annual Stockholders’ Meeting of Bayer AG will be held without the physical presence of stockholders or their proxy holders. The Annual Stockholders’ Meeting originally convened for April 28, 2020, at the WCCB in Bonn will be replaced by a virtual, online-only event to be held on the same date.

The Notice of the 2020 virtual Annual Stockholders’ Meeting of Bayer AG was published in the Federal Gazette on April 6, 2020. This year’s agenda comprises the following items:

1. Presentation of the confirmed annual financial statements and the approved consolidated financial statements, the combined management report, the report of the Supervisory Board and the proposal by the Board of Management for the use of the distributable profit for the fiscal year 2019, and resolution on the use of the distributable profit
2. Ratification of the actions of the members of the Board of Management
3. Ratification of the actions of the members of the Supervisory Board
4. Supervisory Board elections
5. Approval of the compensation system for the members of the Board of Management
6. Resolution on the compensation of the members of the Supervisory Board
7. Amendment of the Articles of Incorporation as regards the term of office of the members of the Supervisory Board
8. Election of the auditor for the annual financial statements and of the auditor for the review of the half-year and interim financial reports, if applicable

The complete agenda is available on the internet at www.bayer.com/stockholders-meeting.

The first postal distribution of the Notice of the Annual Stockholders’ Meeting as well as the documents for registering to participate, ordering proxy cards, postal voting and issuing proxies and voting instructions will be made starting on April 15, 2020, to stockholders who are entered in the share register on April 7, 2020. A subsequent distribution is planned on April 16, 2020 to stockholders who were entered into the share register between April 7, 2020, and April 15, 2020. Stockholders who are entered into the share register after April 15, 2020 will not receive a separate Notice of the virtual Annual Stockholders’ Meeting.

Stockholders who have already agreed to the Annual Stockholders’ Meeting documents being sent by email will receive an email with the Notice of Meeting as an attachment at the email address they specified.

2. Options for Exercising Voting Rights

It remains very important to us that a large proportion of the capital stock be represented even at this virtual Annual Stockholders’ Meeting, as this is the only way to ensure that resolutions are supported by the greatest possible number of stockholders. Voting rights may be exercised in various ways:
• by appointing one of the proxy holders designated by the Company, to whom you may then issue instructions for the exercise of your voting rights,

• by postal voting,

• by issuing a proxy to a person of your choice to exercise your voting rights at the Stockholders’ Meeting.

Only those stockholders who are entered in the share register on the day of the virtual Annual Stockholders’ Meeting and have registered to participate by the deadline are entitled to participate in the Stockholders’ Meeting and exercise their voting rights. The number of shares listed in the share register on the day of the virtual Annual Stockholders’ Meeting is determinative for the exercising of voting rights. For technical reasons, however, no changes will be made in the share register between April 22, 2020, and April 28, 2020, inclusive. Therefore, the entry status in the share register on the day of the virtual Annual Stockholders’ Meeting is the status after the last change on April 21, 2020, 24:00 hours CEST.

3. Registering to Participate in the Virtual Annual Stockholders’ Meeting

In order to participate in the virtual Annual Stockholders’ Meeting and exercise voting rights, stockholders must not only be entered in the share register but must also have registered to participate by the deadline. The completed registration form for this year’s virtual Annual Stockholders’ Meeting of Bayer AG must be received by the Company by no later than 24:00 hours CEST on April 21, 2020.

4. Issuance of Proxies and Voting Instructions Before the Virtual Annual Stockholders’ Meeting

Stockholders may designate a proxy holder, bank, stockholders’ association or another intermediary to exercise their voting rights. Timely registration to participate in the Meeting is also required in such cases (see Section 3 “Registering to Participate in the Virtual Annual Stockholders’ Meeting”).

The options for issuing proxies and voting instructions include the following:

a) Requesting a proxy card for a proxy holder

Notwithstanding the requirement to register to participate in the Meeting by April 21, 2020, 24:00 hours CEST (see Section 3 “Registering to Participate in the Virtual Annual Stockholders’ Meeting”), a proxy card can be ordered via the registration form or the “Stockholders Portal – AGM Service” at www.stockholders-portal.bayer.com. The request must be received at the latest by April 21, 2020, 24:00 hours CEST. The proxy card will then be sent directly to the proxy holder.

b) Issuing a proxy to a bank, a stockholders’ association or another intermediary

Stockholders can also issue a proxy to a bank, a stockholders’ association or another intermediary to participate in the virtual Annual Stockholders’ Meeting and exercise voting rights. The proxy should not be issued directly to Bayer AG but to the bank, stockholders’ association or intermediary of your choice in time to enable them to register to participate in the virtual Annual Stockholders’ Meeting by the April 21, 2020, deadline.

To issue voting instructions to the bank, stockholders’ association or intermediary, please use the form provided on the reverse side of the registration form. Mark the ‘Yes’ field to indicate approval of the individual agenda items, mark the ‘Abstain’ field to abstain or the ‘No’ field to indicate rejection. If you do not mark a field, your instruction shall be deemed as an abstention. If you mark more than one field, your selection will be deemed invalid.

We request our stockholders to inquire before assigning voting rights whether their choice of bank, stockholders’ association or intermediary will in fact accept such assignment of voting rights.

c) Appointing the Company proxy and issuing instructions

You may also appoint and instruct one of the proxy holders designated by the Company. These are Ms. Claudia Linder, Leverkusen, and Dr. Stephan Semrau, Leverkusen. The Company’s proxies are required to vote at the virtual Annual Stockholders’ Meeting solely according to the instructions of the stockholders.

You can issue a proxy and voting instructions to the proxy holders designated by the Company by returning the registration form to the above address, by fax to the above fax number, by email to the above email address or online via our “Stockholders Portal - AGM Service” at www.stockholders-portal.bayer.com. Please note that proxies and voting instructions issued to the Company-designated proxy holders relate exclusively to the exercise of voting rights.

d) Provision of evidence

If the proxy is issued by means of a declaration to the Company or to a proxy holder designated by the Company, further evidence of the issuance of the proxy shall not be required. However, if the proxy is issued by means of a declaration to the chosen proxy holder, the Company may require evidence of the proxy unless otherwise specified under Section 135 of the AktG. Evidence of the proxy may be provided to the Company before the virtual Annual Stockholders’ Meeting.

Evidence of the issuance of a proxy may be provided via email to the email address bayer.hv@linkmarketservices.de. Such evidence must include either the name, date of birth, and address of the stockholder, or the stockholder number, so that it can be correctly allocated. The name and postal address of the designated proxy holder should also be provided so that the necessary proxy card can be sent to the proxy holder.

Please inform your proxy holder about the data protection information at www.stockholders-portal.bayer.com.

5. Postal Voting

You can also submit your votes in writing or electronically without participating in the virtual Annual Stockholders’ Meeting (“postal voting”). Here as well, registration must be completed in time (see Section 3 “Registering to Participate in the Virtual Annual Stockholders’ Meeting”).
